

# Claudia Canu Fautré

## PROFESSIONAL SUMMARY

Relationship-driven education leader with experience spanning K-8 program coordination and IB teaching in a multilingual international school community, plus program management at Google (Mountain View). Skilled in family engagement, community events, school storytelling, cross-functional coordination, and building repeatable systems that improve responsiveness and consistency. Strong alignment with La Scuola's Reggio Emilia-inspired, IB (PYP/MYP), and language immersion model, with a data-informed approach to strengthening family experience, enrollment confidence, and long-term engagement.

## EXPERIENCE

### La Scuola International School of San Francisco - Italian Language Program Coordinator (K-8)

San Francisco, CA

2022 - Current

- Lead K-8 program coordination across faculty, leadership, and families to strengthen alignment, consistency, and the overall family experience.
- Plan and deliver 3–6 community-facing events per year, including Settimana della Lingua Italiana and the La Scuola Three Pillars, supporting engagement, belonging, and mission-aligned storytelling.
- Drive family communication systems, supporting up to 32 families per grade level per term, ensuring timely, clear, parent-friendly messaging and follow-through.
- Build repeatable operating systems (calendars, templates, checklists, communication sequences) that improve execution quality and reduce last-minute friction for multi-stakeholder initiatives.
- Contributed to long-range program thinking by mapping timeline scenarios and synthesizing parent/community input to inform program direction and family needs.

### La Scuola International School - Full-Time Teacher (IB International School)

San Francisco, CA

2020 - Current

- Deliver inquiry-based, standards-aligned instruction for 16–32 students while maintaining high-trust family partnerships through proactive,

## Accomplishments

### PUBLICATIONS & PRESENTATIONS

clear communication and classroom-to-home alignment.

- Partner with specialists and leadership to support diverse learning needs, coordinating supports for 6–12 students and participating in 2–3 weekly check-ins to monitor progress and adjust plans.
- Worked effectively in fast-paced environments.

### **University of Paris X–Nanterre - Adjunct Lecturer (French Language & Culture)**

Paris/Remote

2023 - 2025

- Designed curricula and assessed learning outcomes; delivered instruction with clear expectations and feedback cycles.

### **Google - Localization Program Manager**

Mountain View, CA

2019 - 2020

- Managed cross-functional programs, timelines, and quality outcomes in a high-velocity environment; supported launch of a Google Ads product across 40+ countries.
- Built and maintained Sheets-based trackers to monitor workflow status, risks, dependencies, and delivery readiness across stakeholders.
- Used internal ticketing tools to triage issues, track resolution, and strengthen operational follow-through, documentation, and quality controls.

---

## ***SELECTED STRATEGIC PROJECT***

- Evidence-Based Discovery: Future La Scuola Program Model (parent/community listening + comparative review of 20+ peer schools) and produced program considerations, constraints, and phased timeline scenarios.
- Synthesized survey themes and stakeholder input into clear planning artifacts to support leadership decision-making around program development and future family demand.

---
